ATTACHMENTS? EMMETTS HAS YOU COVERED.

Fit ANY brand, ANY size machine!

We'll help you find the best option for any excavator, skid steer, wheel loader or tractor. We've partnered with proven suppliers that have:

- High build quality
- Quick turn-around (in-stock or not far behind)
- Large ranges
- Value-for-money pricing

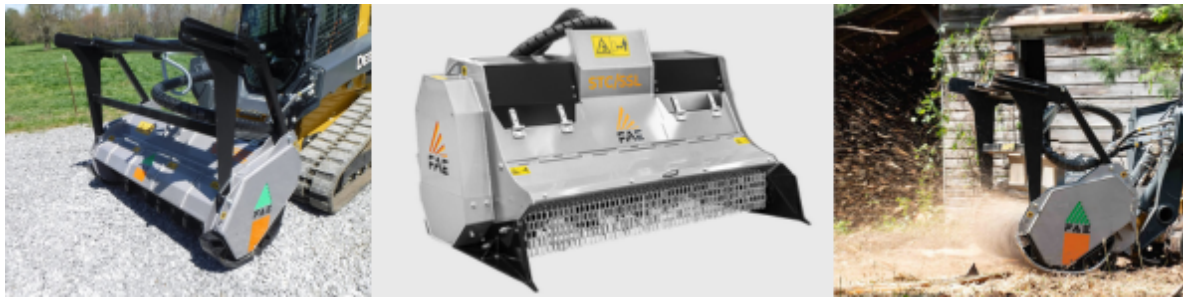

Quality 4-in-1 buckets featuring Motus cylinders and a 4-year warranty. These buckets are tough! OZ excavator buckets, grapples, brooms, and more are also in stock or ready to ship within seven days.

Himac attachments include pallet forks, hay forks, slashers, rippers, and auger drivers... you name it! In stock now!

FAE Your go-to for forestry, construction, rock, or roads. Whether you're after forestry mulchers, forestry tillers, stump cutters, profiles, or stone crushers, Emmetts is your local FAE dealer with many models here in Australia and ready for quick delivery.

2.6T trailers in stock and other sizes from 2-4.1T available within a two-week ETA. You'll also find a wide range of loading ramps available to order with an ETA of less than seven days. Up to 11.5T rated!

And more! Talk to us about all our full line of attachments!
